Fully packaged CDs/DVDs have a full colour label, 2/4/6 page full colour covers and inserts packed in jewel case with black or clear tray. Duplicated CDs/DVDs are made by copying your data onto existing discs and applying a full colour laserkote label. Duplication takes 1 to 3 days.

Package Design:

We can design your complete CD/DVD package artwork. Average cost is \$140 to a maximum of \$280 plus GST for a 2/4/6 page cover, insert and label. If supplying your own artwork, you need to use our templates to ensure correct printing. There is a link to our templates at the bottom of the CD/DVD duplication page on our website. If additional work is required altering your files, we will advise cost before commencing. If supplying own art there is a \$20+GST prepress set up fee if label only and \$40+GST if full pack. This is a one off cost and includes prepress setup, proof sent by courier, and archiving of all artwork.

We can shrinkwrap your CDs/DVDs for 40 cents each.
